

## **CASE CRITERIA – BBLG**

### **Identifying a good lead**

**Clients must meet the following eligibility criteria:**

#### **Police Report Requirement:**

- The Police Report for the Personal Injury Case (of PNC) must not contain any contributing factors.

#### **Insurance Validation:**

- The PNC must have valid Third Party (3P) or First Party (1P) insurance as indicated in the Police Report. The Intake team will verify during intake with the client if their insurance is active or if they already have reached out to the 3P insurance. Must provide us with Insurance Company names and Policy Number.

#### **Hit and Run Incidents:**

- In cases of hit and run accidents, it is mandatory for the client to possess Uninsured Motorist (UM), Underinsured Motorist (UIM), or Personal Injury Protection (PIP) coverage.

#### **Switching Legal Representation Requirements:**

##### **Drop Letter to Previous Law Firm:**

- If a client expresses the intention to switch legal representation to our firm, the client must provide a screenshot or a copy of the drop letter addressed to their previous law firm, formally terminating the previous law firm. This is a crucial step, as we adhere to ethical standards and cannot directly communicate with the client due to potential tortious interference.

##### **Verify the client's injuries and if they're willing to go to treatment:**

- Always ask the client about their injuries and confirm if they're willing to go to treatment.
